

Alexandre Orion Welcome one and all to this, the occasion of the Ordination of a Bishop of the Order. Let us begin the ceremony in reflection:

Alexandre Orion We offer our thanks for the lessons that we are given, the courage to learn from moments of strife and the humility to accept the grace in moments of better fortune. With the guidance of the Force, every step we take leads us to the right place at the right time and we ask that our hearts and minds be forever open to the signs and feelings that shepherd us safely through the confusion. We give thanks to those who have stepped up to guide others, that they may carry the weight of each burden with openness and honour, and may they always be able to stretch out their hands to those who are in need, that we may all walk together in strength as sisters and brothers in the Force.

Alexandre Orion May the Force be with you all...

Rosalyn J and with you

Cabur Senaar And with you.

Vusuki And with you

Alexandre Orion The Force guides everyone to serve in their own particular way and some of these people are called to minister its truths and mysteries to others. As servants of the people, Ministers are to shepherd them on their respective paths and to guide them to self discovery and

understanding. With their fellow Ministers, they are to sustain the community of the faithful by the ministry of doctrine and guidance, that we all may grow into the fullness of the Force and better understand ourselves.

Zenchi And with you...

Alexandre Orion The title of Bishop is bestowed upon those who have committed themselves fully to the guidance of the Force and who have accepted the responsibility of shepherding the Ministers and congregation through their duties, trials and development. As the highest Clerical order, they hold the spiritual energies of TOTJO on behalf of all those that walk these halls and may bestow ordination upon those Ministers who are deemed to be ready. Even though these tasks are great, the Bishops remain simply as Jedi and as the servants of the servants of the people.

Alexandre Orion Thank you.

Alexandre Orion Ministers are called to be servants among the people. They are to be messengers, watchmen and stewards of the Church. They are to teach and to admonish, to nourish and to support, and to guide the people through the confusions of life, that they may grow in knowledge and wisdom of the Force.

Alexandre Orion As Jedi they are to protect the peace and defend the weak. As Ministers they are to uplift the spirit through the guidance of the Doctrine and the wisdom of the Force. With the qualities of compassion, understanding, tolerance and acceptance, they are to open their arms to embrace the community and to provide counsel in times of need.

Alexandre Orion They are to minister to the sick and prepare those who are transitioning from this world and back to the Force, supporting all those who are affected by such changes.

Standing together with their brothers and sisters, they are to provide light through the darkness, that the whole Church may be built up in unity and faith.

Alexandre Orion In addition to this, Ordination is a commitment for life. It can only be rescinded in the most severe of circumstances as this is a contract between the Minister and the Force, a dedication to serving the people through the Doctrine and the guidance of the Force. This promise is written on the soul and strengthens every fibre of the spirit; as such it is not to be taken lightly and without due consideration.

Alexandre Orion Bishops are called to guard the faith, unity, and discipline of the Church; to celebrate and to provide for the administration of the Church; to ordain Ministers and to join in ordaining bishops; and to be in all things a faithful pastor and wholesome example for the entire Jedi Community and the World.

Alexandre Orion With your fellow bishops you will share in the leadership of the Church throughout the world. Your joy will be to follow The Force, not to be served, but to serve, and to give your life to the celebration of Peace.

Alexandre Orion Will you on this day devote yourself to the care and the needs of the people as a Bishop of Jediism ?

Cabur Senaar Yes, I do.

Alexandre Orion Will you faithfully minister the Doctrine of this church, that our community may flourish in their faith ?

Cabur Senaar I will.

Alexandre Orion Will you, reconciled to your eternal existence in the Force, strive to be an instrument of peace in the Temple and in the world ?

Cabur Senaar I will.

Alexandre Orion Will you stand shoulder to shoulder with your fellow Ministers in upholding the spirits of the people and guiding them to their highest potential ?

Cabur Senaar I will.

Alexandre Orion And will you strive to unite knowledge of the Force, to be the best that you can be and to allow your light to shine forth as inspiration to others that may follow ?

Cabur Senaar I will.

Alexandre Orion Thank you.

Alexandre Orion Know that you will always be supported by your fellow Ministers, by the Temple itself and by your own faith in the guidance of the Force. With this in mind, it is with great pleasure that I ordain you as a Bishop of Jediism and state that you shall henceforth be known as Rev. D. Alex Bird OCP. May the Force be with you!

Alexandre Orion Should any member wish to say anything, please feel free to do so now.

Cabur Senaar Thank you, Maitre. Thank you, my friends.

Alexandre Orion It is now my honour and my pleasure to present to you your newly ordained Bishop as also the new Pastor of the Temple of the Jedi Order, who has prepared a brief address for this occasion. If you please, Alex ...

Cabur Senaar I stand on the shoulders of men and women better than myself, tasked with care of this house and clearing a way forward.

Cabur Senaar I am humbled to the recipient of your trust. If I do not have that yet, I look forward to the chance to earn it.

Cabur Senaar Rather than a sermon, I come with a piece I wrote at my Maitre's request some time ago:

Cabur Senaar Had this Temple a Gate, and a Gatekeeper, She might say:

Cabur Senaar People come running,

Cabur Senaar from the churches of their youths,

Cabur Senaar from the family lash and the broken heart.

Cabur Senaar They arrive by running away.

Cabur Senaar If they find us imperfect, there is disgust.

Cabur Senaar If they find us perfected, there is a new fanatic.

Cabur Senaar Until, of course, they find imperfection.

Cabur Senaar People come running,

Cabur Senaar to a new place, a shinier toy,

Cabur Senaar for something else to master and exhaust.

Cabur Senaar They arrive by running to.

Cabur Senaar If they do not find us novel, we are a stale amusement.

Cabur Senaar If they find us novel, we are the new favorite.

Cabur Senaar Until, of course, the novelty fades.

Cabur Senaar People come running.

Cabur Senaar There is no training them.

Cabur Senaar Walk in. Quietly, slowly.

Cabur Senaar Seek wisdom rather than attention;

Cabur Senaar Ready to serve is ready to learn.

Cabur Senaar You are ready to train when you master the slow step.

Cabur Senaar \*

Cabur Senaar We will welcome all who come to our door. We will let them catch their breath.

Cabur Senaar And, in the mean time, we will endeavor to cultivate ourselves.

Cabur Senaar The Force is with us. Thank you.

Cabur Senaar Now, please permit me to lead us out in the recitation of the Creed.
